RESPONSE

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

This is a response to the Office communication dated August 19, 2005 refusing to consider the Related Cases Statement filed May 24, 2005 (RCS).

The RCS simply brings to the attention of the Office recently-filed applications pursuant to the duty of disclosure. Since the applications listed were filed less than 3 months before the date of the RCS, the RCS was timely under 37 CFR 1.97. In addition, the Office, since September 2004, has waived the requirement in 37 CFR 1.98(a)(2)(iii) of submission of copies of application parts, when these applications have been scanned in the Office's IFW system. Finally, while 37 CFR 1.98(a)(1)(ii) requires a column for the Examiner's initials, the RCS provides ample space, such as at the right margin, for such initials.

The failure to properly consider the RCS was arbitrary, capricious, an abuse of discretion, and not otherwise in accordance with law. It should be considered.

Respectfully submitted,
